**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Examiner:

In response to the Notice of Allowance mailed 11/09/2007, please enter the following:

REMARKS

The Examiner has stated in the Examiner's Statement of Reasons for Allowance the following: "[t]he prior art does not reasonabl[y] teach monitoring requests of an application that is not one of a plurality of trusted applications, alerting the user to either permit or prevent the request by the application."

In response, applicant points out that at least some of the independent claims (e.g. Claims 1, 28 and/or 31) are not necessarily limited to at least some of the emphasized features that the Examiner has highlighted above. Just by way of example, at least some of applicant's independent claims are not necessarily limited to "monitoring requests of an application that is not one of a plurality of trusted applications" as the Examiner notes. In addition, at least some of applicant's independent claims do not specifically state "alerting the user to either permit or prevent the request by the application" (emphasis added), as the Examiner further notes.

Clearly, at least some of the independent claims are not necessarily limited to the features that the Examiner has noted above in the Examiner's Statement of Reasons for Allowance, as emphasized above (by way of example only). Instead, each of the claims should only be limited by the language existing therein.

In the event a telephone conversation would expedite the prosecution of this application, the Examiner may reach the undersigned at (408) 505-5100. For payment of

the fees due in connection with the filing of this paper, the Commissioner is authorized to charge such fees to Deposit Account No. 50-1351 (Order No. NA11P055).

Respectfully submitted,  
Zilka-Kotab, PC
